

# OCT 2 OKTOBERFEST SHOP GREENCASTLE!

## OUR MISSION

To create a unique experience featuring our accomplished local artists, demonstrating their works and talents in historic downtown Greencastle. On the First Friday of every month, shops downtown will be open from 5-8 and each will feature a local artist inside or outside of their store. Please join us for an enjoyable evening strolling around downtown, visiting our quaint shops and exploring new ways to challenge your creativity.

First Friday is sponsored by Waste Management, Greencastle-Antrim Chamber of Commerce and Greencastle Area Arts Council.
